8 January 2021

Dear Parent

I hope your family is well and that you have had an enjoyable weekend.

I have sent a briefing to pupils on their Glow 'MHS Pupil Info' Team and will provide an update at the end of each week. Please encourage them to check their class teams regularly, especially on a Monday. I sent a letter on Friday outlining our remote learning provision and hope you have had a chance to read this. I attach a timetable of when staff are available to support students online. Unfortunately, the Glow platform was running slowly on Monday and there were some difficulties accessing work nationally. We have been assured this problem will be resolved as soon as possible.

It can be difficult to issue general messages and advice about your child's online learning as we know that our families all have different challenges. It is important to us that you feel supported by the school. We recognise that the time and place for completion of work is for parents to decide in line with your own family circumstances. Although we may notify you of non-completion of work, this is only to make you aware and we understand that supporting your child with accessing remote learning is not an easy task. We know that you are doing the best you can and you should let us know of any issues without feeling pressured.

I will be in touch at the end of this week and meantime, should you have any questions or issues then please do not hesitate to contact the admin email account or phone the school office during school hours.

Subject	Name	Level	Day Available	Time Available
Science/Chemistry	Mrs Sugg	All	Monday	11 am - 12 pm
			Tuesday	11 am - 12 pm
			Wednesday	2 pm - 3 pm
			Thursday	2 pm - 3 pm
Business/Computing	Mr Young	S2 Computing	Monday, Wednesday, Friday	9 am - 10 am
		S3 Computing	Wednesday	10.30 am - 12 pm
